

Troop 1018 Scouts' Own Service Planner

Note: There is no "right" order or content for a religious observation during a campout or other troop activity. This planner is provided to assist the Chaplain Aide (or other designated Scout) in organizing a short, non-denominational service. Use your resources (guides, internet, church leaders, family members, etc.) for ideas to fill in the various sections of the service. Total time for the service should be 10-20 minutes.
